

Adhesives and Sealers... Fast, Sure and Easy.

At Norton, we don't just make the best sandpaper in the world. We offer the finest adhesives, sealers and coatings too. All designed for fast, sure, easy work around the shop. To help you get troublesome jobs done right, the first time, every time.

Super Bond Weatherstrip Adhesive

Super Bond Weatherstrip Adhesive is a fast setting, high-bond strength adhesive. Used to bond rubber or vinyl weatherstrips to doors, trunks, windows, etc. Nasal tip or controlled bead. Instant tack. Strong bond. Fast drying. Waterproof. Resists oil, grease and silicone.

Super Bond Emblem and Trim Adhesive, Clear

A clear, colorless adhesive with fast tack times and excellent adhesion to almost any surface. Serves as a replacement for a wide variety of adhesive products for bonding metals, plastic, vinyl or rubber. A multipurpose product, it allows for the reduction of specialty adhesives for unique applications.

No. 10 Disc Adhesive

A specially formulated bonding agent, No. 10 Disc Adhesive is designed for use in automotive refinishing, for holding abrasive discs to any back-up pad. Heat-resistant for long tackiness and repeat usage. A good general-purpose adhesive which may be used for temporary or for more permanent bonds.

Heavy Duty Spray Trim Adhesive

A fast drying, super strength adhesive in an aerosol can. Used to bond carpeting, urethane foam, insulation, supported vinyl, wood, paper, hood pads, and headliners to most substrates. Convenient adjustable spray nozzle for varied applications.

Urethane Windshield Sealer

A primerless, one part urethane adhesive sealant for full-cut and short-cut methods of windshield and backlite installations. Easy handling and fast-set properties. Excellent shelf life. Passes the Motor Vehicle Safety Standard #212 windshield barrier test and the #216 crush test.
